Let go of that woman.

報復のシステム

This woman's your shield against Maeda huh?
Don't play dumb. Your friends already spat it all out.

I just had a personal interest in this woman is all.
I wouldn't know, but no doubt they picked up some kind of trouble.
But — I wouldn't know.

Ah?

You're under-estimating Maeda.
Tell your head,

I'm not involved, I —

I hate conflict.
No clue, no clue, buddy.
That so?
.....

Already said!!
Oh.

Aah?

ゴゴゴ
You're sure about letting them go unhindered?

You won't regret relinquishing control here?

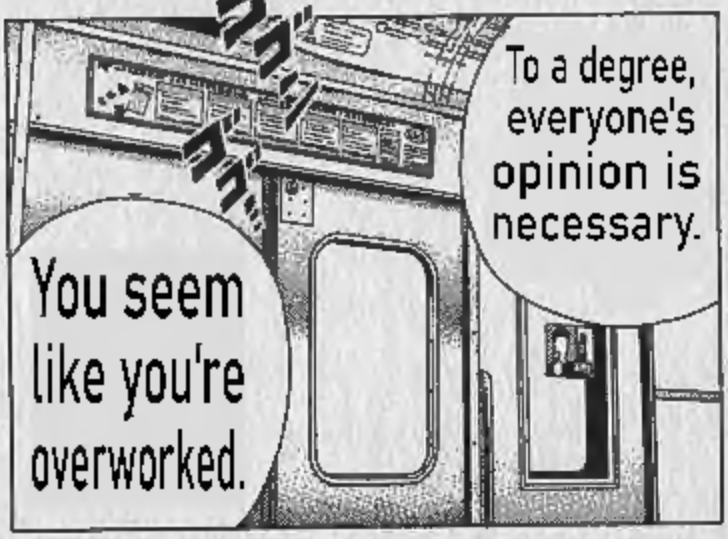
But, their real intention, I'm sure, is to head to Yoshiwara to prepare for war.
ゴゴゴ
Hahaha, it's just a joke.
ゴゴゴ
Tsch- What are you saying?

Hmph.

And if they came searching for revenge on Maeda, It wouldn't be an accident.
What's more, from Tokyo station on, we'll be seeing the figures of Goro's men.

No, it's just a friend's idea. Just saying...
What!?

Either way, our suffering is over, but...
But this time again, Kawashima's help has been complicated.
Not accounting for it could be grave.



ゴゴゴゴ
To a degree, everyone's opinion is necessary.
You seem like you're overworked.

No matter what, we can't exert any force. But if we had a good reason, that would be another story, right?

With this hand, I can build a robust organization. For that sake, this too is necessary.

Alright, Kyoushiro? I'll show you too, the courage of a man.
